A TRIBUTE TO
NEW YORK CITY

MOST WANTED

HERE COME THE CAMPIONS Architect
Campion Platt recently
launched his first collec-
tion of home furnishings,
and we're loco for such
"campaign"-style pieces
as the Bottoms Up Bar, a
knock-down oval table.
When you're not storing
bottles of Bombay on the
ebony shelves, fold up
the four-level shelving
unit and store it in a clos-
et. Now that's the perfect
NYC bar! *For more
