EXPERT DESIGN IDEAS**

A man in a light blue shirt and dark trousers stands in a modern interior. To his left is a staircase with wooden steps and a black metal railing. In the foreground, there is a large, spherical wooden structure made of thin rods. To his right is a brown leather armchair with a patterned throw blanket and a small table with a vase of purple flowers. The background features a white wall with a framed picture and a black metal shelving unit.

AD REVISITS

At a brownstone in New York City, architect **Campion Platt** transformed a characterless dining room into a welcoming study. He designed the hearty metal mantel to match the new French doors; darkened ceiling beams tie the scheme together (2003).
